# Chinese New Year

Can you create your very own dragon to  
dragon dance with. You might want to  
make a small puppet or if you are feeling  
very creative you may chose to make a  
large one form material and cardboard  
that all the family can help to move  
around your home. I look forward to  
seeing your creations. Here is a song  
you can follow the actions to with your  
dragon [Chinese New Year Song for Kids](#)
